

## Fairhaven CoPack offers specialised contract packing, filling and distribution services for the fast growing organic sector.

Efficiency and quality is paramount across our integrated service facilities, located on the NSW Central Coast. We perform to a high level of accuracy and workmanship: the integrity of your organic product is our highest concern.

### Our accreditations:

We adhere to strict HACCP and Australian Organic Certification standards.

### Our capabilities:

- ▶ liquid fill, dry fill
- ▶ packing, batch coding and shrinking of products
- ▶ making, filling and batching of cartons
- ▶ shrink wrapping of cartons
- ▶ pallet storage and short-term warehousing
- ▶ arranging distribution and delivery.

Some of our current contracts include:

Husqvarna

kokonut pacific

PANDORA™

### WE FILL!

Our purpose built clean room facilities are equipped to the highest international standards and certified to fill and pack any organic product – if it's organic, we can fill it!

### WE PACK!

We offer a flexible pack and fill service that is capable of utilising both manual and automated functions. Equipment includes gravity and auger feeders, shrink wrappers, weighing and sealing hardware.

### WE DELIVER!

Conveniently located in close proximity to main arterial road links to Sydney, Melbourne and Brisbane, plus major air and sea ports; Our dedicated packing, warehousing and distribution centre provides an ideal environment to ensure secure, efficient storage and freight of your product.

Fairhaven CoPack is committed to delivering the best possible solutions for your needs.
